Limited Working Spots

Where: Endeavor Working Dog Club, Overlook Park, White Rock, NM

Notes: Priority is given to those that are participating in all 3 days of the seminar.
You may choose 2 of the 3 phases to work on for each day.

Joel is a teacher by profession, a national-level competitor, and USCA Teaching Helper. He spends his time as the helper for 3 clubs training their dogs, his own and teaching intermediate and advanced obedience classes.

Joel works over 150 dogs a week giving him a vast knowledge of different dogs and dog behavior that has made doing public obedience a natural outpouring. Years of experience and thousands of dogs of all temperaments, breeds and ages, have enabled Joel to develop a program that builds drives in dogs and utilizes that drive to carry out desired behaviors while correcting undesirable ones without squelching motivation. Joel's training program has been incredibly successful and the result has been training methods and programs that give (teach) people what they need to effectively train their dogs.
