Dave Kroyer, Head Trainer and Owner of Canine Headquarters and DKA for dog trainers has over 15 years of experience handling, training and coaching in the areas of Schutzhund/IPO, Ring Sport, Police K9, AKC Obedience, Nosework, Agility, SAR, and AKC Tracking. Dave brings his knowledge of multiple disciplines and dog sports to the table to offer the most informative training and coaching available.

His FOURTEEN appearances as a World Championship competitor and multiple National and Regional podium placements in different dog sports afford him the opportunity to help and coach many top competitors in the U.S. and abroad.

Known as a "TRAINER OF TRAINERS", Dave's knowledge, innovative ideas and approach to problem solving is sought world-wide and his seminars and coaching are second to none. Dave's emphasis is on establishing a strong foundation upon which any dog-handler team can flourish regardless of discipline. Because real-life work and competition injects any variety of variables into the working situation, a strong foundation is paramount to consistency and reliability. Through his foundation training, Dave has proven that dogs can learn critical concepts faster, learn exercise based gymnastic skills correctly and ultimately perform more consistently.
